LABORATORY PATHOLOGIST POSITION

Seeking a position in which I can employ my 30+ years of skills and experience in dermatopathology as an Anatomic and Clinical Board Certified Pathologist.

EXPERIENCE

Home-Based Assessment Consulting Physician – Various Insurance agencies such as Humana, United Healthcare as employed through Censeo. I travel to and conduct in-home patient assessments/physicals on individuals/couples who have plus plan coverage with insurance providers. Assessments include, but not limited to, a review of medications and diagnosis, new data entry, assessment questions, a physical and lab work as needed. (4/17 – Present)
